NEW WEST EQUIPMENT

PICKER / FUEL / EQUIPMENT DRIVER

ABOUT NEW WEST EQUIPMENT

New West Equipment has been serving Calgary and Southern Alberta since 1994, building a reputation as a trusted partner for propane, diesel, equipment rentals, and construction and industrial site solutions. Born and built in Calgary, we're a local, hands-on team that understands what our customers need on the ground.

Our services include equipment rentals and sales, propane and diesel delivery, temporary heat and power, fencing, lighting, and site support that helps keep projects moving.

Every delivery matters. Getting fuel and equipment safely to the right place at the right time helps our customers keep their crews working and their projects on track. Here, your experience is valued, your team counts on you, and you can see the difference your work makes every day.

THE OPPORTUNITY

We are seeking a reliable, versatile, and safety-conscious team member to join our equipment rental team. This role is ideal for a "jack-of-all-trades" who enjoys a variety of responsibilities and is willing to learn. The successful candidate will assist with picker truck operation, delivering equipment to various job sites, fuel and propane services, customer service, and general equipment support.

Training will be provided for the right candidate.

KEY RESPONSIBILITIES

- Operate picker truck in a safe and professional manner.
- Operation of Fuel Trucks / Delivery an asset.
- Experience in transportation and delivery of fuel an asset.
- Delivery and pickup of rental equipment (heaters, pumps, etc.) at customer job sites in and around Calgary.
- Load, unload, secure, and transport equipment according to company procedures.

NEWWESTEQUIPMENT.COM

- Conduct daily vehicle inspections and complete required documentation.
- Provide excellent customer service and represent the company professionally on job sites.
- Follow all company safety policies, transportation regulations, and industry best practices.
- Assist other departments as required to support daily operations.

QUALIFICATIONS AND EXPERIENCE

- Valid Class 5Q driver's license or Class 3 with a 3-year clean driving record. Will need to provide abstract.
- Experience operating commercial vehicles, fuel trucks, propane trucks, or crane trucks is considered an asset, but willing to train.
- Knowledge of the equipment rental industry is preferred.
- Knowledge of the City and new communities an asset.
- Mechanical aptitude and the ability to troubleshoot basic equipment issues.
- Strong work ethic and willingness to take on a variety of tasks.
- Ability to work independently and as part of a team.
- Excellent communication and customer service skills.

PHYSICAL REQUIREMENTS

- Ability to lift up to 50 lbs repetitively.
- Comfortable working outdoors in various weather conditions.
- Ability to climb, bend, kneel, and perform physically demanding tasks as required.

WHAT WE OFFER

- Exceptional company culture
- Paid vacation
- Birthday day off with pay after 3-month probationary period
- Prescription, health and dental coverage, employee assistance program, long-term disability coverage and life insurance
- Ongoing training
- Tuition reimbursement for continuing professional development
- RRSP matching program
- Safety boots reimbursement program after 3-month probationary period

New West Equipment is committed to building a respectful and inclusive workplace. All team members are expected to uphold our standards of professionalism and integrity in every interaction.

HOW TO APPLY

Please upload your resume and a note explaining why you'd like to join the New West Equipment team.

We're reviewing applications on a rolling basis and will be in touch with shortlisted candidates by email. Please note that we are not accepting phone inquiries at this time.

We appreciate everyone who applies and will be in touch if your background is a strong fit.
